Ok, let us know. If you want to wait until we are out there, we can get Adam on the phone.

Hi Michele,

Anna is out all week, but Adam and I could participate in a call any day this week but Wednesday (I am booked all afternoon).

If your next question is about Anna's schedule when she returns, she is at a meeting Tuesday-Thursday next week (and I'm unavailable Tuesday and Wednesday next week).

We just finished meeting with Mike, this will be done as a phone call. We are in the public comment period so we do not want to go on record now. Need your availability this week for a call

No other changes. It looks very familiar.

It makes sense, assuming that there will be a cover letter, as with Arroyo Grande.

Thanks, did you change anything besides the shading? Did it make sense to you?

I am putting together a draft of the comments on Round Mountain. I cannot seem to remove the shading Anna put on, can you fix that? Also please make any changes or comments. I am trying to get this to David on Monday.. Thanks!
